

Jenny Su  
First Year PhD Student  
jennyjn.su@mail.utoronto.ca  
Office: MP 1202C

**Research interest:** Transients

**Past (undergraduate) research:** Fast Radio Bursts (FRBs) with CHIME

- Comparison of repeaters and non-repeaters
  - Observed different dispersion measures (DMs) for the first time!
- Polarization
  - Frequency-dependence of polarization
  - Improvement of the polarization pipeline
